House Plant Pour & Feed

Ready to use, no mixing required

Full of nutrients for happy house plants with outstanding foliage, strong roots and healthy growth.

HOW TO USE

Shake well before use. If the compost around the plant has dried out, moisten with water before adding the feed.

Use the cap to add the feed to the compost around the base of the plants.

Use when the plants are actively growing. Feed every week and water plants regularly between feeds.

POT WIDTH	CAPS OF FEED
9-11 cm	1
12-19 cm	2
20+ cm	3
